

JANICE PARKER

LANDSCAPE ARCHITECTS

Title: Intern Landscape Architecture
City: Greenwich, CT
Years of Experience: 0-2 years
Salary and Benefits: Negotiable

DESCRIPTION:

Award-winning Design & Architecture firm located in Greenwich, CT seeks an intern to help with office and project management, product design and working drawings using AutoCAD, Sketch-Up and Photoshop. This position works under the direct supervision of the landscape architect.

ABOUT THE FIRM:

Janice Parker Landscape Architects has established a reputation for conceiving, planning, and installing thoughtful landscapes and are dedicated to excellent design, full documentation, and project coordination. We are committed to strong relationships and long-term development of our landscapes. We pride ourselves on clear communication throughout the process and engage our clients as members of the project team. We foster the creative spirit and technical expertise that produces unique and comprehensive solutions to complex site challenges.

Located in Greenwich, CT, we work extensively in prime locations along Long Island Sound, New York City, Miami Beach and the Hamptons.

POSITION REQUIREMENTS:

Candidates should be working toward, or recently acquired, a degree in landscape architecture, architecture or interior design. Successful candidates will also display excellent work habits, organizational skills and communication proficiency. Must be proficient with Excel, Google Sketch-up, AutoCAD and Adobe Suite.

POSITION RESPONSIBILITIES WILL BE:

Intern will have the opportunity to engage all aspects of design process, including schematic design, client development, construction drawings, project coordination, and field experience. Excellent communication skills, attention to detail, and organizational skills are crucial.

This is paid internship position with a flexible schedule. Position would begin in May and last for as long as possible into late summer/fall.

APPLICATION SUBMISSION REQUIREMENTS:

To apply for internship, please submit the following information:

1. A one-page summary that describes your personal interest in landscape design.
2. Relevant samples of your work to illustrate your range of conceptualization and communication.
3. Current resume supported by TWO professional or academic letters of recommendation.

Please email information to info@janiceparker.com.
