DIAMOND AND BARATTA PUT THE BEAUTIFUL BACK INTO THE BOLD

Diamond Baratta Design has redefined the contemporary interior. Bold colors, inventive fabrics and graphic rugs once again take center stage—at the beach, in the city, or in the suburbs. Drawing on the psychedelic sixties and the avant-garde seventies and adding tasty bits from the thirties, forties, and fifties, as well as Pop Art, Tony and Bill have honed their modernist style. Rich with references, and far from minimalistic, it is totally original.
